# HICKORY WHITE

Hickory White's custom bed program provides amazing solutions for the bedroom. Shown here is the Urban Park King upholstered bed from the Central Park collection. Tailoring treatments can be altered to reflect a basic look or may be converted to a buttoned presentation for a more traditional Channelled design. A myriad of fabrics, finishes and custom nail treatments add endless creativity. T: 001 828 322 8624 | [www.hickorywhite.com](http://www.hickorywhite.com)

# UTTERMOST

Uttermost makes a grand style statement with these lightly glazed and bleached sandstone exposed hardwood chairs finished with cane sides. Accented by geometrically-patterned solid wood tables featuring a warm oatmeal wash and ivory limestone tops, these eye-catching designs are a welcome addition to any setting.
