### 1- PRICING & ORDER

- 1.1- The values on Karpa's price list are for the public and substitute any other published or advertised before;
- 1.2- Pro-forma orders will require a 40% deposit upon the order and the remaining payment prior to shipping from the company;
- 1.3- Customized pro-forma orders will require 50% initial deposit. The remaining must be paid until 3 days before the dispatch date;
- 1.4- All pieces are Karpa's property until the payment is fully received;
- 1.5- Karpa reserves the right to defer the dispatch date until the payment is fully received;
- 1.6- Karpa's prices always refer to one unit and are ExWorks Barcelos, Portugal;
- 1.7- VAT is not included, therefore this legal tax must be added to the price;
- 1.8- Karpa's prices don't include shipping costs or fees;
- 1.9- The packaging is included in the price, however, if specific package is required by the client, its cost will be charged accordingly.

### 2 - LEAD TIMES

- 2.1- The minimum production time is between 7 to 8 weeks, starting from the day the order is placed and confirmed, with delivery time not included;
- 2.2- For custom pieces or large quantities orders, Karpa reserves the right to agree with the client the date of delivery. The agreed date may change due to production restrictions.

- 3.2- If the shipping is requested to Karpa, it will be charged apart from the product's value;
- 3.3- Karpa is not liable for damages during shipping;
- 3.4- The order is owned by the client from the moment the goods are picked up by the carrier in the company;

- 3.6- Any visible damage in the packaging (wooden crate or other) must be immediately reported to the carrier with the intent to make a written claim. The written proof of claim and photographic evidence of the damaged packaging must be reported to Karpa within 48 hours of delivery by email, to info@Karpa.pt.
